”

After completing the MBA program at RLIMS, I feel that I am in a stronger position to continue to advance my career. I have improved my leadership, research, writing, analytical, and time management skills. The required courses provided me with a strong business management foundation, and the elective courses enabled me to expand my knowledge in areas of interest such as business negotiations. The knowledge and skills that you will gain from completing RLIMS's MBA program will not only prepare you for a successful career, but also help you differentiate yourself in the workforce. I would highly recommend the RLIMS MBA program to all individuals who are eager to prepare themselves for a successful and rewarding future.

ABOUT RL INSTITUTE OF MANAGEMENT STUDIES

C. Karthik

Vice President Enterprise
Business, Tech Mahindra,
Mumbai, India
(Batch 2000-02)

In addition to the obvious life-long impacts to my network, business acumen, and compensation, my MBA degree @ RLIMS (MKU) has given me the confidence to contribute to engagements and revenue-generating activities that I otherwise would have never considered.

Thank you RLIMS.

RL Institute of Management Studies, one of the most sought-after programmes of Subbalakshmi Lakshmipathy College of Science (An autonomous Institution affiliated to Madurai Kamaraj University and Re-accredited with A+ Grade by NAAC) with two decades of academic excellence, had its momentous beginning in the year 1998. Since its inception, the growth of the department has become significant in terms of creating noteworthy business managers and entrepreneurs.

The institution offers a two-year full-time MBA Program, approved by AICTE, with a wide range of most in-demand and new-age specializations. A highly qualified faculty team with strong research publication and industry background is the key USP of the institution.

Our Vision

To become one of the most trusted and preferred business schools in India by aspiring management graduates; with the ethics, ethos and value system.

Our Mission

- To nurture the student learners to imbibe ethical standards in all aspects of learning and Practice
- To facilitate the students gaining knowledge, skills and developing positive attitude in their approach to their Profession
- To enable the students to become a socially responsible corporate citizen of this world.

PRESIDENT'S MESSAGE

We intend to educate the students for better living standards in all we do in this part of the world. RLIMS aims at creating an elevated excellence in the educational system which is relevant to today's industry requirements. Its basic design is to be in synchronization with the industry demands so that when the students complete their degree programs they become employable and can adapt themselves to the challenging employment atmosphere in the industry.

RLIMS has become a sought-after institute for its multidisciplinary faculty members, state-of-the-art infrastructure and a student-friendly atmosphere, to impart quality education and it would be a place where theory in subjects would not only be preached but would also be provided a platform to practice.

RLIMS encourages its functioning within a wider social and intellectual environment with prominence on critical socio-economic processes that are shaping the industry today.

DR. R . LAKSHMIPATHY
PRESIDENT

PRINCIPAL'S MESSAGE

Subbalakshmi Lakshmipathy College of Science, established in the year 1994, and nurtures a unique system of education for creating energetic leaders in the corporate sector, entrepreneurs, academicians, researchers and professionals who contribute to the development of society and nation at large.

The progress of a nation depends on the quality of students passing out of educational Institutions. The aim of education is to promote the students in developing their intellectual, aesthetic, emotional, moral and spiritual skills. I personally look forward to integrate my experience over the years in teaching and research into the learning systems and direct the collective effort of the faculty members of the institution to build a comprehensive methodology that encompasses all that matters for nurturing the young minds of curious nature.

Most of the technological outbreaks roots from the intimate interaction between a creative mind and the real world disputes. I surely induce contemporary ideas among the Students paving way for new innovations in the field of Science and Technology

DR. R . SUJATHA
PRINCIPAL

RLIMS MBA

The MBA program was introduced in the year 1998, since then the MBA Program is nurturing the student learners as an ethical corporate citizens / entrepreneur of the world. The MBA Program is AICTE Approved and affiliated to Madurai Kamaraj University, as a unit of Subbalakshmi Lakshmipathy College of Science. RLIMS offers a wide range of specialization courses in the domain like Analytics, Banking, Insurance, Finance, HR, Marketing, Logistics, Strategy and many more contemporary areas depending on the need and market requirement.

DIRECTOR'S MESSAGE

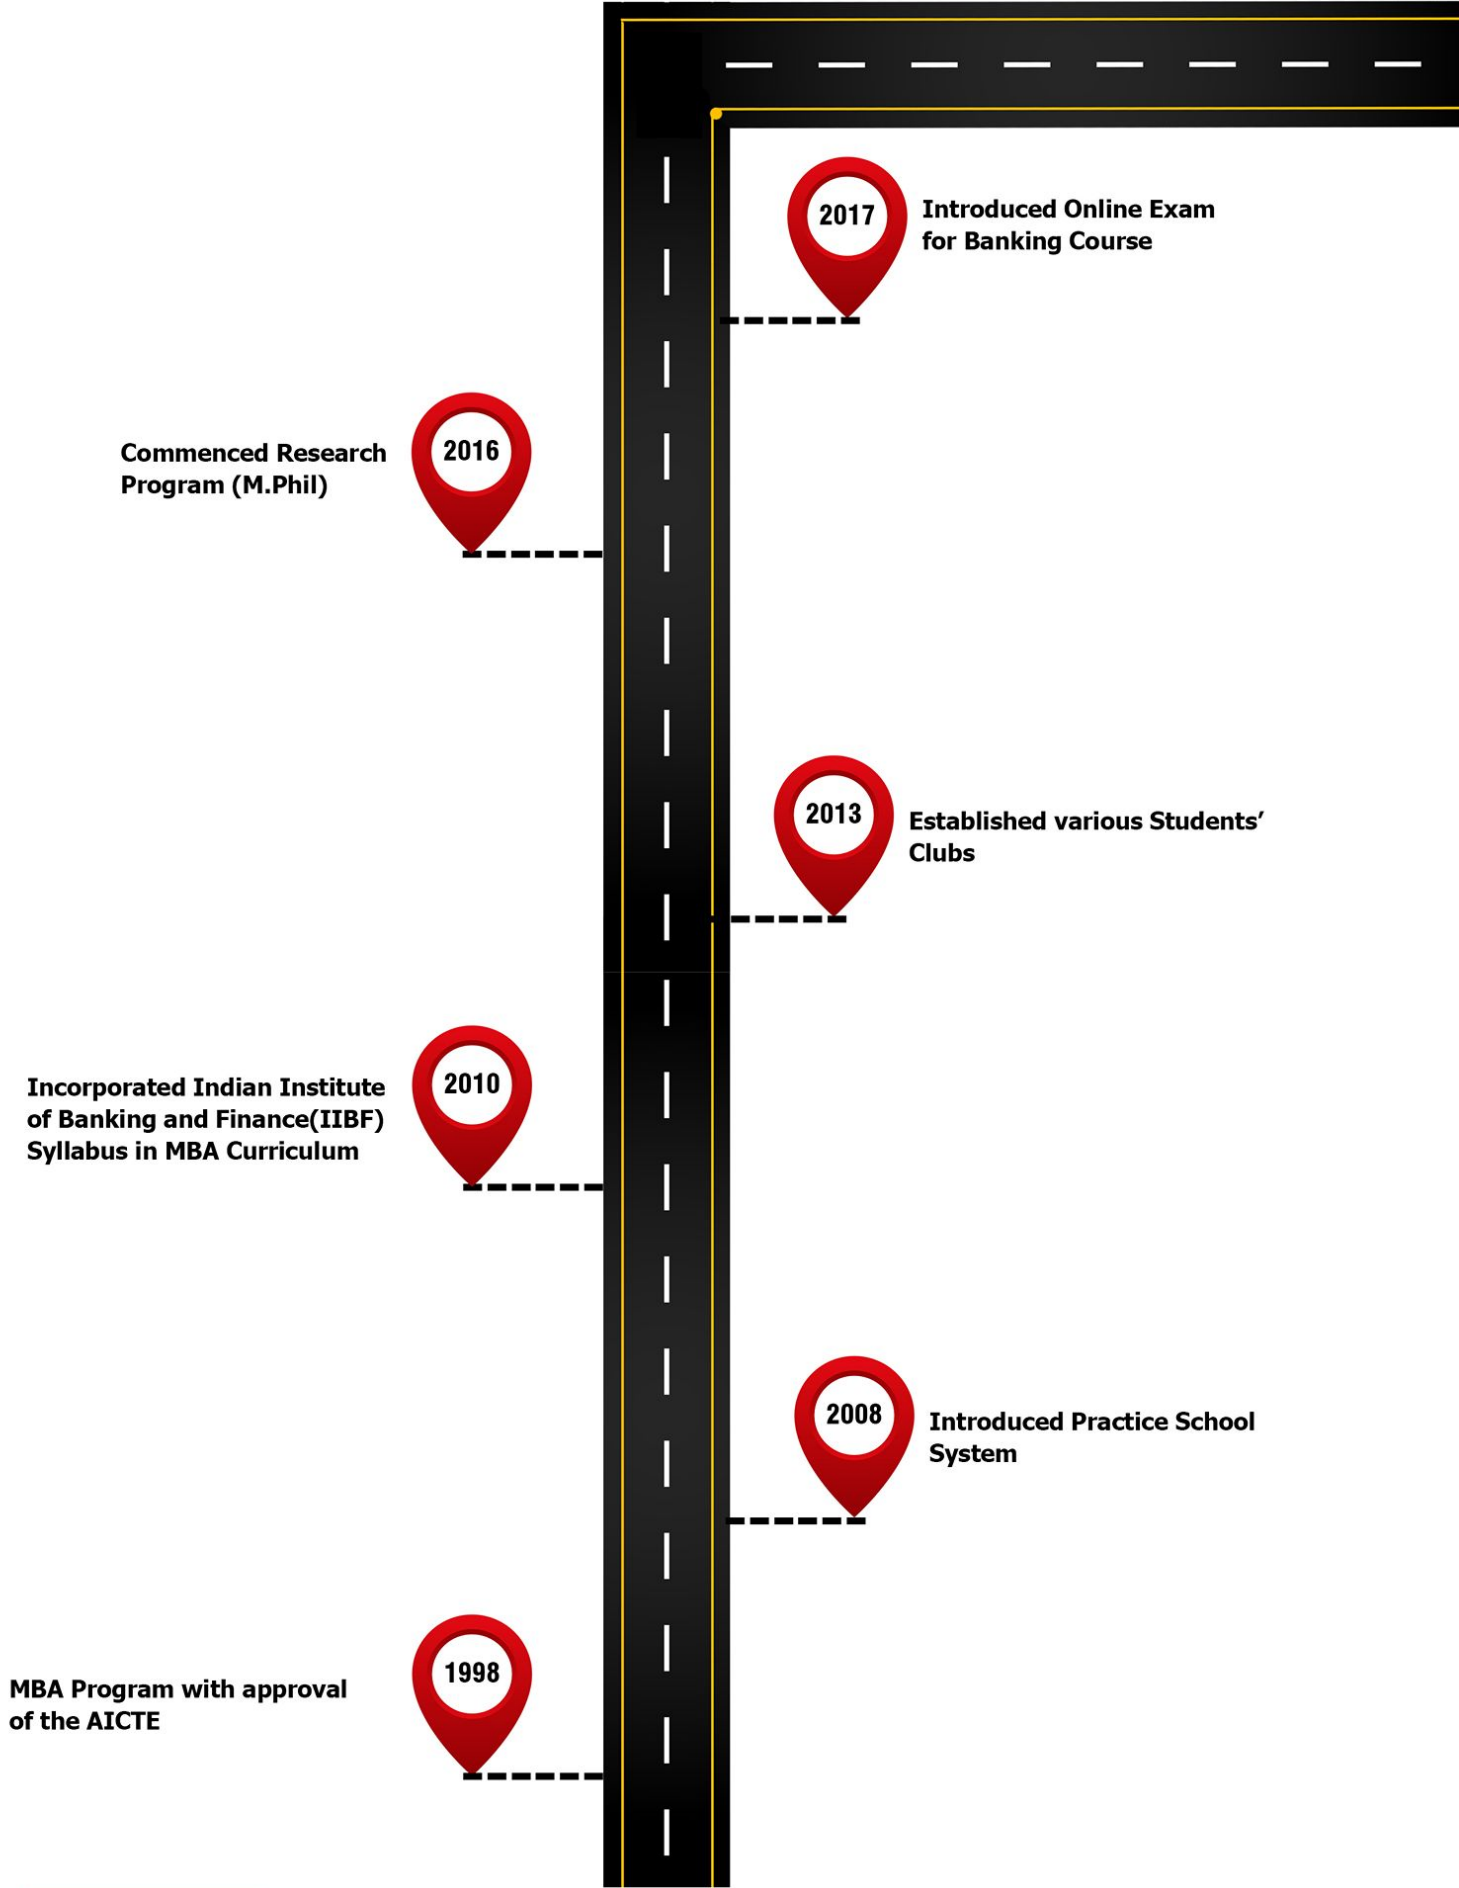

RL Institute of Management Studies is a business school born out of an ethical & innovative idea. The institute's guiding principles of excellence and integrity have helped RLIMS to be one among the best management institutions in this part of the country. In today's competitive business environment, the challenges and opportunities for the corporate houses are plethora in number. Today, we are in an era where business is driven by knowledge and innovation.

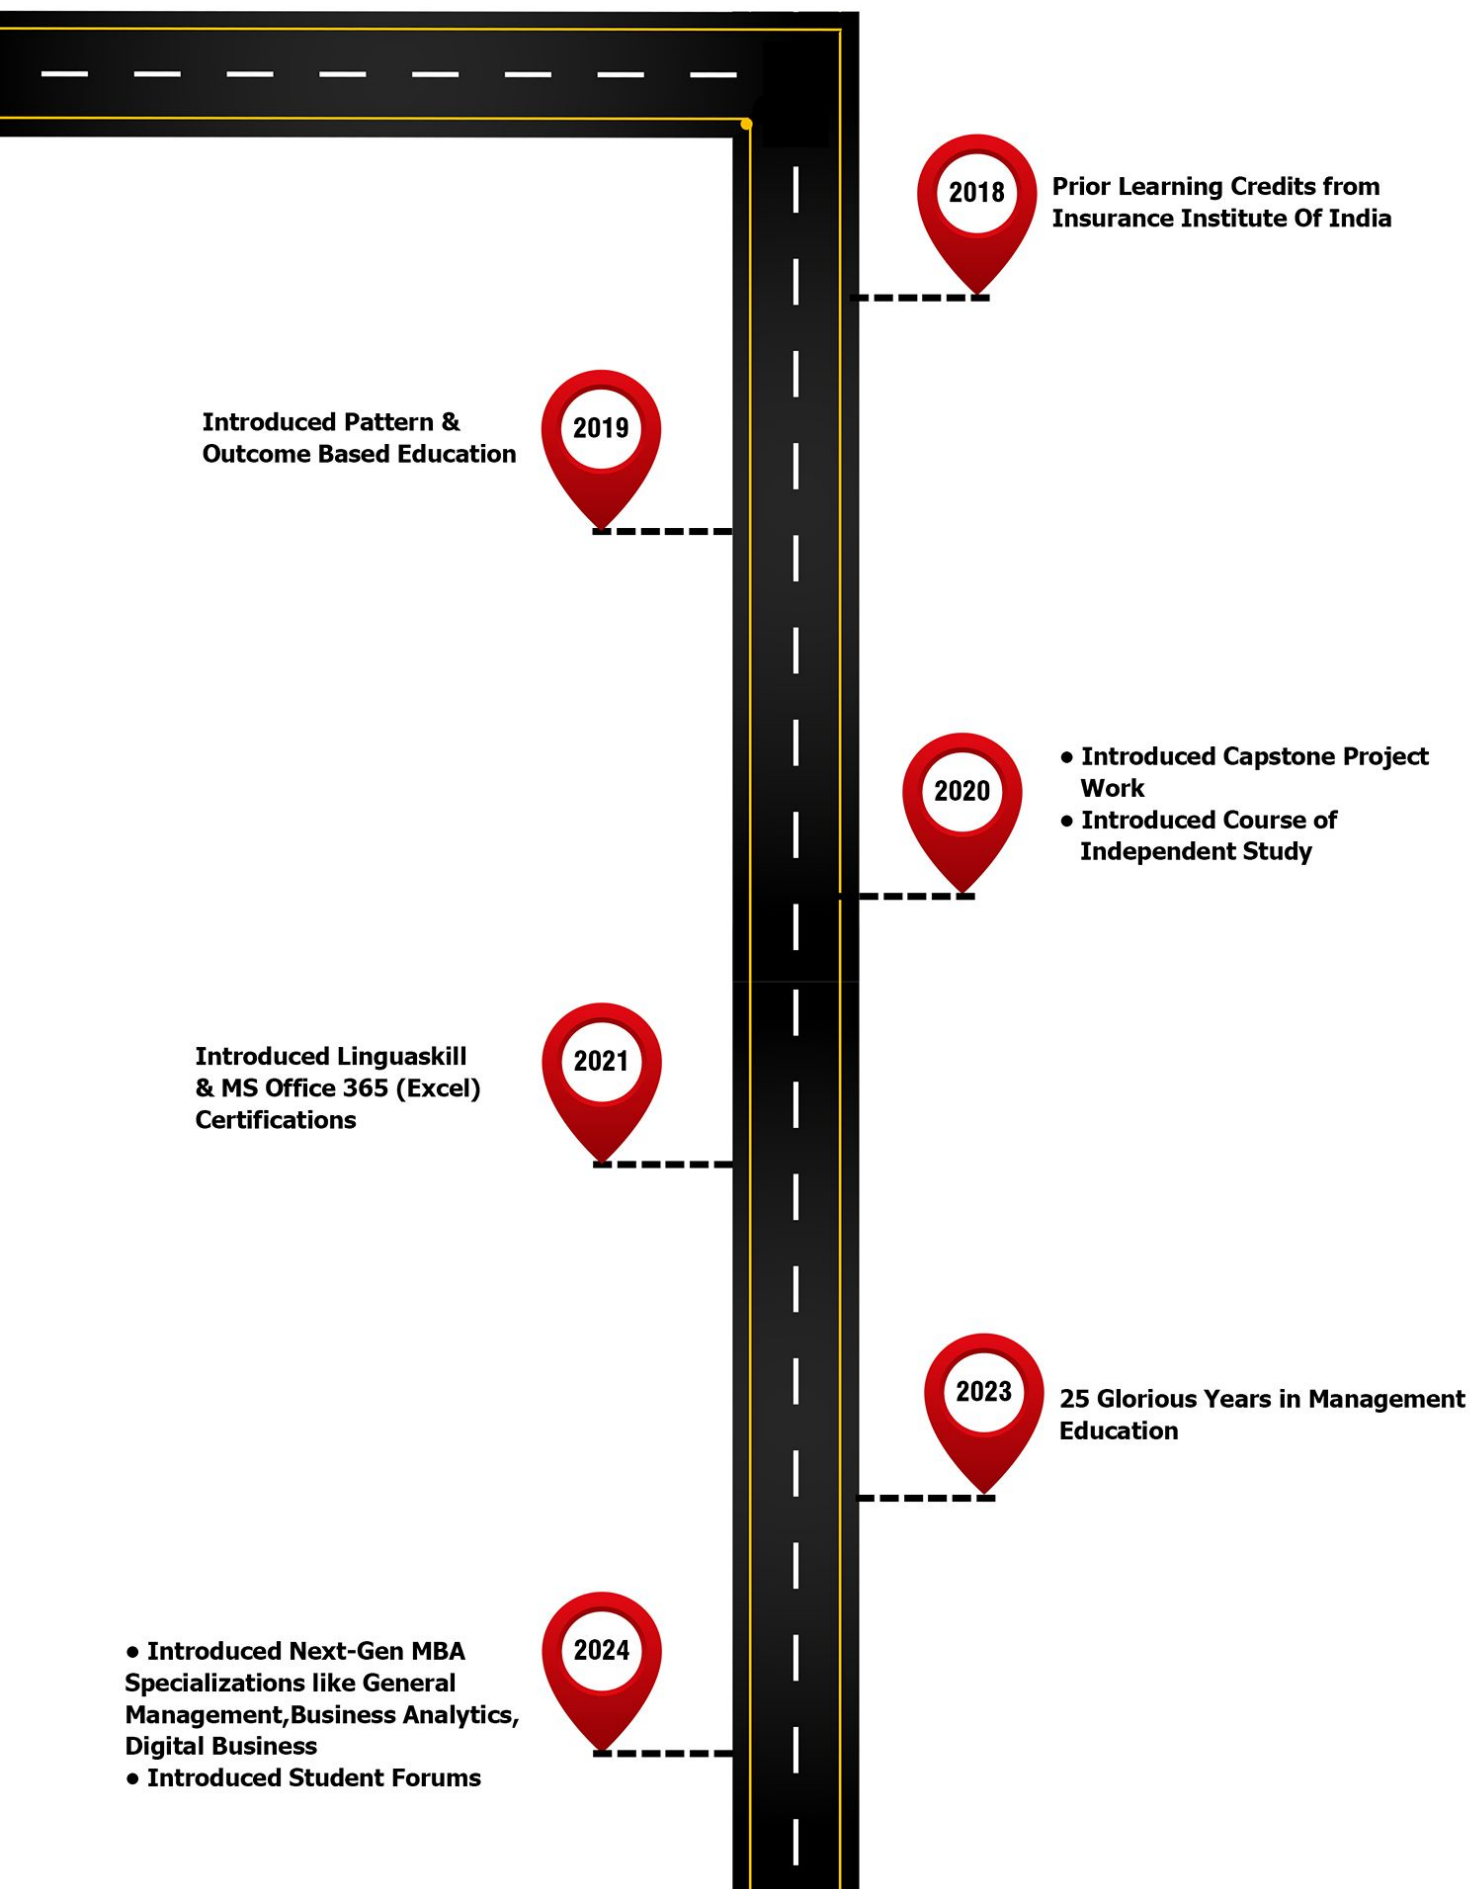

RLIMS has continuously committed to the cause by educating and training budding leaders, emerging entrepreneurs and promising managers who can render service to organizations and society. Plenty of market leaders in the recent past have perished as they failed to understand the changing dynamics of the global industry and the increasing interdependencies across business functions. So, continuous learning and innovation has become imperative to sustain and grow in this competitive environment.

Our MBA program at RLIMS is especially designed to meet such challenges. With the state of art infrastructure and high academic rigor, RLIMS is an apt destination for business & management education.

Welcome to the temple of "Management Education"

RLIMS was my home away from home. A place I always felt comfortable, could always find a willing ear to listen, and a little motivation to keep up with everything at school. Everyone in RLIMS has a heart for students, and they have the knowledge and institutional memory to help me navigate the system to accomplish my goals. RLIMS is perhaps the most impactful campus which will help you celebrate success and take you to greater heights. Kudos to RLIMS.
